Participation in July

Our emphasis and focus during the month of July is Participation. Volunteering to help with Vacation Bible School would a great blessing for our church as we seek to reach many children and families with the Gospel of Jesus Christ. There are also many other ministry areas in the church where you can use the gifts God has given you to strengthen and build the Body of Christ. Be intentional this month in getting involved and participating!

Making Disciples Ministry Plan

This month as you read through and evaluate the "Making Disciples" Ministry Plan, we encourage your questions and comments! Check our website and online calendar for upcoming discussion forum times and locations or send an email to makingdisciples@fbcjs.com. Or, please contact the church office at 654-4411.
